### Description

This one-day Paediatric Emergency First Aid course has been designed for those who have an interest in child and infant basic life support.

If you have a professional interest, i.e. you are a child-minder or school teacher etc, then this course fulfils partly the requirements of OFSTED and the Early Years Foundation Stage (EYFS).

You may wish to consider the full two-day course if you are responsible for infants and children professionally.

### Duration

A minimum of six hours makes up this unit consisting of theoretical and practical work.

### Syllabus

A range of subjects is covered including:

**Responsibilities and reporting**  
**Assessment of the situation**  
**Dealing with an unresponsive casualty**

**Resuscitation**  
**Minor injuries**  
**Wounds and bleeding**

**Shock**  
**Epilepsy**  
**Anaphylaxis**

### Certification

Assessment is ongoing by the instructor in respect of the student's practical ability, along with a multiple choice question paper to answer in respect of their knowledge.

A three year certificate will be issued subject to assessment.

### Numbers

A maximum of 12 students can be accommodated on this course.

### Age Limit

Students must be a minimum of 14 years of age and a certificate can be offered to all, subject to assessment.

A student cannot assume a responsibility in the workplace for children and infants until they reach the age of 16, and then it is the employer's responsibility to ensure that the student is suitable for that role.

The certificate will expire as dated on the certificate, irrespective of age.
